

D EMS in Training

Mesabi EMS Spring and Summer Classes

The spring First Responder class enjoy the last day of class. The course included participants from Gilbert, Greenwood, GSSC Security, Mesabi Nugget and Biwabik Twp. The course was taught by Butch Blight.

The spring EMT Basic course posing in front of the Biwabik ambulance after a day of hands-on training at the Biwabik Fire Department. The course was taught by Kevin Poffs and Todd Rice.

The United Taconite First Responder Team have been training twice per month this past year. The team includes a mixture of new and experienced responders. Here they are practicing trauma scenarios.

Mesabi Range trained approximately 500 loggers in CPR and First Aid last spring. We traveled from Rochester to Baudette. Here is a group from the Grand Rapids area practicing CPR skills.

Mesabi Range College's EMS Department is an established EMS Training Facility offering courses such as: **CPR, First Aid, First Responder, EMT-Basic, Paramedic, course refreshers** and **continuing education courses** customized to fit your needs. Our program offers quality education utilizing our instructional staff's experiences and expertise in the field of EMS from all levels. Our training is both portable and flexible. We strive to accommodate the needs of our clients. Our EMS staff is dedicated to EMS and it is reflected through our repeat business and our student success. If you have not already, it's time for you to give us a try!
